WORKSHOP MANUAL

NOTE

Instructions given in this manual for servicing the M.G. Midget Series "TD" are also applicable in the main to the Series "TF." In cases where components are not common to both Series, the necessary descriptions and instructions for the Series "TF" will be found at the end of the appropriate section.

The following are the main items affected: Instruments and Switches, Carburetters and Air Cleaners, Radiator, Body, Lights.

References in the text to "later models" should be understood to read "later Series 'TD' models and all Series 'TF' models" unless otherwise stated.

Amendments to the manual are only made by the issue of revised sheets, or additional sheets for insertion at the end of each section. It is therefore of the utmost importance to refer to the end of each section before carrying out any work on the vehicle.
